WORLD BASEBALL SOFTBALL CONFEDERATION

The world governing body of baseball and softball

Credit to WBSC

About the World Baseball Softball Confederation

Headquartered in the Olympic Capital city of Lausanne, Switzerland, the World Baseball Softball Confederation (WBSC) was established in April 2013 and granted recognition as the sole competent authority in baseball and softball by the International Olympic Committee (IOC) at the 125th IOC Session in September 2013. The WBSC represents a united baseball/softball sports movement that encompasses over 65 million athletes worldwide.

The WBSC governs all international competitions involving any of the National Teams of its 141 National Federation members in territories across Asia, Africa, Americas (Caribbean, Central-, North- and South-America), Europe and Oceania.

The WBSC oversees the Softball World Championships, The Premier 12, the World Baseball Classic, and the U12, U15, U18 and U21 Baseball World Cups.

History of the World Baseball Softball Confederation

The World Baseball Softball Confederation (WBSC) was formed in 2013 to create a single federation designed to permanently align, merge and manage the ultimate aspirations of the sports and to achieve our global vision of giving every boy and girl in the world a chance to play the game.

Following the guidance of the International Olympic Committee who indicated the necessity for baseball and softball team up in order to be jointly considered for inclusion in the Olympic programme, the two independent International Federations set out on a path toward a full and complete merger.

In 2012 the WBSC established a memorandum of understanding between the International Baseball Federation (IBAF) and the International Softball Federation (ISF) that essentially laid out the ground rules for partnership and begin work on a Constitution that would guide the merger and provide a framework for governance, ethics and operations.

At the historic IBAF Congress in Tokyo in April 2013, the Constitution was ratified and since it had already been approved by an ISF working group empowered to do so, the WBSC was officially formalized and empowered.

Mr. Timothy FOK, GBS, JP

President

Sports Federation & Olympic Committee of Hong Kong, China

Baseball back in its homeland, the United States, has been put to the shelf until next spring after the World Series but not so here in our part of world when December is the golden month for the game. Our Hong Kong Baseball Association, with sponsorship from the Arts and Sport Development Fund under the aegis of the Home Affairs Bureau, will host the 2014 Hong Kong International Baseball Open at the Sai Tso Wan grounds with teams fielded by Korea, Philippines, Russia, Singapore, Taiwan and of course our own.

Fact of the matter is that baseball has crossed the Pacific ocean to prosper in our region. More and more of our young athletes gravitate to the game which is a consummate team sport. We have since elevated the caliber of Asian baseball to the level that some of our star players excel now in the American major league who in turn inspire a legion of our own to devote themselves to wielding the bat and catching the ball on the fly with feats of remarkable athletic agility and power.

Hong Kong is proud to be host to the tournament and wants the world to know that baseball is played here and the standard continues to rise. Let us come to the watch the tournament, cheer on all the players, and learn to love the game that is as competitive as it is festive perfected suited for a community that thrives in being challenged and to respond by a team effort. All is left to be said is, "play ball".

Mr. Riccardo FRACCARI

President of World Baseball Softball Confederation

Dear Baseball Friends, Fans and Clubs,

The World Baseball Softball Confederation (WBSC), the world governing body for both baseball and softball, fully supports the Hong Kong Baseball Association in uniting baseball clubs from Hong Kong, Philippines, Russia, Singapore, South Korea and Taiwan for four days of not only competition, but international friendship.

The WBSC Hong Kong International Baseball Open (HKIBO), now in its second edition, is a great competition platform launched and hosted by the HKBA, which gives international experience to the members of the competing teams and also allows them to test their talents and learn from players from other nations.

While it is sometimes not highlighted, international competitions like the HKIBO are also important for coaches, scorers and umpires to gain valuable experience with the international game.

Baseball events like the HKIBO not only serve to promote baseball as a growing global product, but also as an instrument for encouraging mutual respect, cultural diversity, friendship-building, international ties, as well as promoting the city and host nation.

The WBSC is proud to be associated with the Hong Kong International Baseball Open and sends its gratitude to HKBA, local authorities, sponsors, officials and volunteers of this international event.

With such coordinated and collective efforts, baseball's global footprint will continue to expand, giving more opportunities for baseball players to shine on the international stage and evolve our sport.

Mr. Philip Li

President of Hong Kong Baseball Association

In this holiday season of the very last month of the year in Hong Kong, the most glamorous international sport event should be the TOTO Hong Kong International Baseball Open 2014. Eight teams from Hong Kong, Korea, Philippines, Russia and Singapore will play this baseball tournament ("HKIBO") in 19-22 December 2014.

After 21 years of hard work of the members of the Hong Kong Baseball Association and with the strong support of the Hong Kong SAR Government and the commercial entities, baseball has become one of the fastest rising sports in Hong Kong. The HKIBO is a mile stone of the baseball development in Hong Kong and the international baseball community since its debut game in 2012. For this HKIBO 2014, we are thankful to TOTO, the leading producer of sanitary ware of Japan, for its title-sponsorship, and to the Hong Kong SAR Government through Home Affairs Bureau and Leisure and Cultural Services for the subvention. With their supports, the HKIBO is and will continue its growth year after year.

Baseball is a team sport game full of wisdom, stamina and joy that players once start playing it will not want to depart from it. I wish all the players coming to play this HKIBO an exciting competition and an enjoyable time during their stay in Hong Kong.

Ateneo Blue Eagles

Being heavily favored, the Blue Eagles looked to dominate the 2014-15 season of the University Athletic Association of the Philippines. The men in blue fell short of winning the season three years ago but had high hopes for the coming ones.

With the experience and camaraderie strengthened by the defeat, the Blue Eagles triumphed in the succeeding two seasons, 2012-13 and 2013-14. Sharing the same passion, and commitment for the sport the team looks forward to gaining new experiences in the succeeding tournaments, and hopefully to accomplish the goal of getting better as a unit, as a family, as a team.

Shin Chang Baseball Team 鑫昌水塔

鑫昌水塔棒球隊於西元2011年(民國100年)成立，在竹北鑫昌實業社老闆－王定誠先生的大力奔走下促成此一美事。隊員是由一群對棒球運動充滿熱情的朋友們所籌組。鑫昌棒球隊更以「絕不找人冒名頂替參加比賽」為最高原則，藉以保障比賽的公平性及公正性。目前球隊在桃園、新竹等地皆有比賽，靠著大家共同努力屢創佳績，目前鑫昌棒球隊可說是一支社會乙組的勁旅。

最後，在此由衷感謝香港棒球總會給予鑫昌棒球隊這次參賽的機會，更盼望能以球會友，比賽順利，創造一生難忘的回憶。

Through relentless effort of Mr. Wang Ting-Cheng, the Owner of Shin Chang Company, Zhubei City. Shin Chang Baseball Team was formed back in the year of 2011.

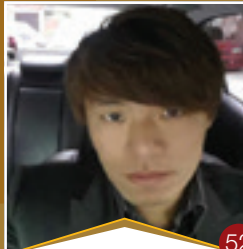

The team members were mainly composed of baseball lovers, who take baseball seriously and proud to attend each and every game as their "True Identity", no matter how big the challenges are, they are determined to uphold the fair play spirit of Baseball.

The team now played in the TaoYuan and Hsinchu district tournaments, through their team effort, they have achieved really good standings so far and proud to say that they are a very competitive Community Baseball Team.

Lastly, we thank Hong Kong Baseball Association in providing us an opportunity to attend the Hong Kong International Baseball Open, in hoping to meet new friends and build many long lasting friendship, we wish the tournament a success, and we know that we will definitely create a life time memorable experiences for ourselves.

香島步操樂團

香島步操樂團成立於2002年，至今已有十二年。香島步操樂團致力於推廣步操樂團文化，

希望每一個市民多於了解步操樂團，以促進隊樂團與國際交流，回饋社會。

本樂團的演奏足跡遍及全港，並拓展演奏舞台至國外，例如：韓國，泰國和北京等等。

在過去的大小演出中，不僅得到觀眾一致的讚揚，亦與合作對象建立了良好關係，其中包括不少企業團體。

更重要的是，藉着我們的演出，推廣步操樂團文化，得以令人多些了解。香島步操樂團在國慶期間，獲得全國少工委的邀請，參加由全國少功主辦的《第五屆中國少年先鋒隊鼓樂管樂評比展示交流活動》作示範表演，於全國頂尖樂團展示範及現代步操樂團的技術。每位團員都對樂團有著熱忱的期待和不屈不撓的精神，

不論環境如何改變，我們都忠於以做出好音樂為志，這就是本樂團動力的來源。

香島步操樂團會在大家的支持下繼續努力，各成員都安守自己的本分，集眾人的樂器力量，演奏出震撼人心的音樂。
