Ms Michelle LI

Director of Leisure and Cultural Services

I am delighted to congratulate the Hong Kong Baseball Association on hosting the WBSC Hong Kong International Baseball Open 2015.

The annual tournament, now in its fourth year, has become a highlight of the local sporting event calendar. This year's event will be even more exciting with eight elite teams competing for the laurels of victory. The tournament will not only provide an invaluable platform for sports exchange, but also offer baseball fans with four days of intense, fast-paced matches.

May I wish the WBSC Hong Kong International Baseball Open 2015 a resounding success and all the players an enjoyable experience.

Ms Michelle LI
Director of Leisure and Cultural Services

Mr. Timothy FOK, *GBS, JP*

President of
Sports Federation & Olympic Committee of Hong Kong, China

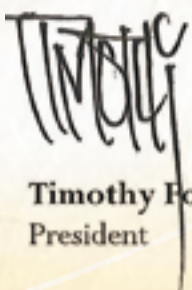

Baseball is said to be the sport of summer but that is for North America where it originated about 150 years ago under a searing sky when the languid air came alive to the crack of the bat and the cheers of the fans. But here in this part of the world, where the game has been avidly adopted, the sport is of winter, thus proving all in all baseball has gone truly international and perennial

Each December then Hong Kong hosts the International Open as by rite and, in this year's edition, some 6 teams from overseas will contend for the prize with a pair from our own city. These players from everywhere will bring a different twist, favor and hue to the game, reflecting the trans-frontier and transformative character of a sport that has long grown out of its American genesis.

Such cosmopolitanism is clearly manifest in the Major League in North America and also in the Japanese one which draws the best from many countries, including those from Asia. This means here in our part of the world baseball has developed to the extent that it is not beyond the wildest dreams of our players to reach and prosper at the top.

The Hong Kong International Open is thus a display window to the baseball talents that abound in the most populous continent where it is not too farfetched to believe how it will be the future for the development of the game. Our city is thus proud to stage the WBSC International Open to show that our players too can match up against those from anywhere else, including those with a deeper and longer baseball history.

The hope is that the Open will continue to be an inspiration, as it is a spectacle, to entice more youths to try the sport that is not only a physical endeavor but also one of the mind, strategy and collective effort. Hong Kong adores baseball and, more than that, it excels in it too as the local players are about to exhibit when finally the umpires signal and call out, "Let's play ball".

Mr. Riccardo FRACCARI

President of WORLD BASEBALL SOFTBALL CONFEDERATION

Dear International Baseball Friends, Fans, Clubs and Officials:

The World Baseball Softball Confederation (WBSC) is proud to support and recognize the Hong Kong Baseball Association (HKBA) for the staging of another edition of the Hong Kong International Baseball Open (HKIBO), this time from 4-7 December and bringing together 8 teams to this officially WBSC-sanctioned international platform.

The WBSC will continue to support the HKBA leadership in promoting the popularity and growth of our sport worldwide, while providing another competition-platform for athletes, coaches, officials and umpires from different countries to share the same stage.

The WBSC is grateful to HKBA, local authorities, sponsors, officials and volunteers who make this event happen and celebrate our sport internationally.

The WBSC will continue to place the top priority on re-joining the Olympic Games, and HKBA's efforts to develop the game in the region can play an important role in expanding our sport's global footprint to help our sport resonate with wider and wider audiences and help bring new athletes to our sport worldwide.

Wishing best of luck and international friendship, respect and fair play to all the teams and athletes playing in this important HKIBO competition.

Mr. Abraham KEY

President and CEO of Protect Our Nation's Youth

Hong Kong Baseball Community:

I would like to extend my warmest regards and greetings to all of our friends in Hong Kong. The relationship between PONY Baseball, the Hong Kong Baseball Association and the Asia Pacific Zone is a very traditional and time honored one.

It is a great pleasure and an honor to recognize the Hong Kong International Baseball Open (HKIBO). Baseball has been and continues to be an inspiration to thousands of young baseball players throughout Asia and the world.

PONY Baseball and Softball in Asia was founded with six original 13 and 14 year-old teams in May of 1975 at Kawasaki Stadium in Tokyo, Japan. PONY Baseball annually provides thousands of young children the opportunity to grow into healthier and happier citizens through their exposure to organized baseball.

The game of baseball is truly a game that knows no cultural or socio-economic boundaries. Baseball is played in over 110 countries throughout the world and continues to grow. PONY Baseball and Asia continue to work together to provide as many youth the opportunity to learn the game of baseball as possible. I want to thank the leaders, specifically our friends in Hong Kong and Chairman Dr. Felix Yip for their vision and leadership in developing baseball and PONY Baseball's Asia-Pacific Zone.

Many have played a role in the development of PONY Baseball in Asia, including Shinsuke Itoh, Rodolfo Tingzon, Bill Simmons, Russ Simmons, Milton DuBane and Roy Gillespie. Mr. Itoh and Mr. Tingzon from the Philippines are credited with the development of the PONY Baseball Asia Pacific Zone. They have impacted the lives of children through the game of baseball in Hong Kong, Japan, Philippines, China, Korea, Taiwan, Australia, Singapore, Malaysia, Vietnam, Thailand, Indonesia, Cambodia, India, New Zealand and Russia.

PONY Baseball is very fortunate to be able to participate with Asia Baseball and provide thousands of young people in Hong Kong and the Asia-Pacific Zone an opportunity to experience the thrill of baseball competition in a safe environment. Through their exposure to the game of baseball, the participants learn valuable lessons in leadership that will allow them to become more productive citizens in the future, making our world a better place to live.

Under the guidance of Chairman Yip, PONY Baseball and the Hong Kong Baseball Association will continue to prosper and provide more opportunities to the youth of Hong Kong and the Asia-Pacific Zone. Our thanks to the many people of Hong Kong Baseball and Dr. Felix Yip for their continued interest in and promotion of baseball in the Asia-Pacific Zone.

This year marks PONY Baseball's 65th anniversary. We want to extend our thanks to our players, coaches, fans and friends for 65 great years of providing baseball and softball throughout the world, but more importantly for many years of baseball in Hong Kong.

Protect Our Nation's Youth,

*Abraham Key
President and CEO*

我們是來自台灣的一群愛好棒球運動的伙伴，隊員中許多都是高中和大學時期多年的隊友，畢業及工作後為了不間斷對棒球的喜愛，於是繼續組成了這支球隊。平時多半利用假日的時間來享受打棒球的樂趣，球隊成員是由愛好棒球的社會人士及在學學生組成，並歡迎任何喜愛打球的朋友一同加入。

每年經常參加台灣各地區的棒球比賽，也都會安排定期出國旅行並與當地的棒球隊交流，正因為如此，開拓我們的棒球視野，從比賽中學習更多的經驗、結交許多國外喜好棒球的朋友，儘管文化不同、語言不同，但對於對棒球的執著與愛棒球的心都是一樣的。希望能藉由這項運動來促進交流、學習更多的經驗，全心打好每場球賽，和各國朋友一同享受棒球所帶來的樂趣。

North America

Typhoons

The Typhoons Baseball Club was founded in 2013. We started as a group of expatriate baseball players living in Hong Kong who mostly hail from North America (with the odd player from the southern hemisphere). The Typhoons have grown in the past two years to include many local players as well.

Our goal is to continue playing the game we love at a competitive level and to help foster the development of baseball in Hong Kong by bringing the next generation of ball players into the Typhoons family. We are honored to be involved in the HKIBO tournament and look forward to playing against these talented teams from all over the world.
