Message

Phoenix is a bird that always rises again and is thus so apt to have the trophy named in its honor to unite nine teams in the Austral-Asian region to compete for honors in women's baseball which has really taken wing. This, among the first major sporting tournaments of the lunar spring happens because of generous support from Asia Insurance, the community and the game's enthusiasts grouped together by the Hong Kong Baseball Association and under the auspices of the World Baseball Softball Federation as well as the Home Affairs Bureau's Leisure and Cultural Services Department.

Entering the event's ninth anniversary, we are elated and given good cause to believe the sport has found a nest in Hong Kong from which local talents are fledged and are capable to compete against teams with a longer heritage. Considering the dozen squads invited – from Australia, China, Guam, Japan, Korea, Singapore and Taiwan – ours is put into elite company.

We here have long striven to give equal footing to women in sports and in all endeavors in life and the Phoenix Cup underscores the success we enjoy in pursuit of this just and noble cause. Baseball has a history of championing women and Hong Kong is proud to be associated with this process of empowering our own women to excel to the best of their abilities – and their abilities are splendid to behold in baseball – which we will witness when the umpire declares, "Play Ball!"

This year, twelve teams from around the world will meet and compete in Hong Kong, bringing us a series of exciting and magnificent matches. Baseball fans from far and near will surely not hesitate to get a seat here for the thrilling competition. Thanks to the HKBA, its passion for the sport has been guiding itself to make tremendous contribution over the years to the promotion of baseball in the community. YEUNG Tak Keung
Commissioner for Sports

Mr. Riccardo FRACCARI

President of World Baseball Softball Confederation

Dear Baseball Fans,

2016 marks the IX edition of Asia Insurance Phoenix Cup, a tournament that continues to gain importance and visibility year after year. The 2016’s event will see the participation of 12 teams from 8 different countries, a clear demonstration of a strong global appeal for a tournament that has become a benchmark on the International Calendar, and a testament to the strong work that President Mr. Philip Li and the entire Hong Kong Baseball Association has put forth.

Despite the Women’s Baseball movement being relatively young, the sport itself has made giant steps forward in terms of the number of participating athletes, level of play as well as interest amongst the fans. The International Federation is obviously proud of having believed in the movement and looks forward to enhancing its popularity worldwide with the VII edition of the Women Baseball World Cup that will take place this summer in South Korea.

I would like to congratulate the HKBA on the Asia Insurance Phoenix Cup’s insertion into the “Appreciate Hong Kong” campaign. I was very glad to know that also the local authorities recognized the importance that this sport competition brings to the state of Hong Kong, through the promotion of positive values and a message of equality.

A special thanks to the HKBA and the volunteers, whom without their dedication and help this event would not be possible. In closing, to all the athletes, wishing you all the best of luck for being able to perform at the best of your abilities, respecting the game, and bringing forward the true values of the sport.

Message for Phoenix Cup 2016

Entering its ninth anniversary, the Phoenix Cup 2016 is hitting its record of having 12 participating teams from Australia, China, Guam, Hong Kong, Japan, Korea, Singapore and Taiwan. The passion and perseverance of the organising committee led by the Hong Kong women players is the key to success of the Phoenix Cup, which has become one of the most best known international baseball tournaments in the world.

The Phoenix Cup 2016 is organised by the Hong Kong Baseball Association, title-sponsored by Asia Insurance, sanctioned by World Baseball Softball Confederation ("WBSC") and subvented by the Hong Kong SAR Government through the Arts and Sports Development Fund and Leisure and Cultural Services Department. Their strong support indicates that baseball sport in Hong Kong has been growing fast on a healthy track.

This year can be a particular exciting year as baseball has a high chance to return to the Olympics in the Tokyo Olympics 2020. Let's play well the Phoenix Cup to prepare for the announcement of the good news from International Olympic Committee in coming August.

Lastly, I wish all players enjoying each game they are going to play and having a pleasant stay in Hong Kong.

GUAM

Lady Guahan

Lady Guahan was created from a group of accomplished softball players to play in the Guam Women's Baseball Cup in 2015. Since then, we have remained together as a team, adding key players and practiced to be a better group of players by focusing on baseball techniques to prepare for competition by high-level international tournament teams. We sincerely appreciate the opportunity of playing baseball with elite players from other countries. We look forward to playing our very best in the 2016 Asia Insurance Phoenix Cup and enjoying our time meeting fellow baseball enthusiasts, gathered in Hong Kong for the love of the sport. Participating in the Phoenix Cup will allow us to grow as baseball players and provide an opportunity to interact with female baseball players from around the world and help grow the sport on our home Island of Guam.

CHINA

Shanghai Super Girls

Shanghai Super Girls Baseball Team was set up in 2014, which is the only amateur women baseball team in Shanghai and even in China. From the very beginning till now, SSG grew up from 1 member to 20 members in less than 2 years. SSG keeps going on and advancing, because girls train hard every week.

These adorable girls have the deep love for baseball and the enthusiasm for practice. Now matter how different they are, girls all believe that as long as they take baseball learning seriously and commit to practice, they will experience the incomparable happiness brought by baseball.

SINGAPORE

SG Panthers

Singapore Panthers Women's Baseball Team was founded in 2013, with the aim of promoting Baseball amongst girls in Singapore. Being the third time participating in this tournament, we would like to express our sincere thanks and gratitude to Hong Kong Baseball Association for supporting our team and playing a important part in developing Baseball in our country and the region by providing a platform for us to play, learn and make friends with the same passion.

Each year, we improve our results slightly and we hope to be able to learn from everyone else. We wish to continue our participation in the years to come, giving our new players a chance to experience and enjoy Baseball!

感謝香港棒球總會再次邀請新加坡黑豹女子棒球隊。因為有了這比賽的平台，給了我們球員一個打棒球的意義。一年一度的鳳凰杯，是我們向大家學習的機會，感受棒球永不放棄的精神。也希望能帶給我們的球員一個美好的經驗，繼續打棒球的夢想！再次感謝與希望以後也能再被邀請參賽。

TAIWAN

Taipei Vanguard

Taipei Vanguard Women's Baseball Team was formed on Aug 11, 2001. It was formally started by a group of female baseball enthusiasts who all met on the Naruwan website.

The players are from different sectors of the society, such as education, finance, insurance, medical, tourism, retail, students, etc. There are 38 players and 2 coaches enrolled in 2015. Every weekend, our team practices around 4-8 hours in Shezi, Taipei.

Every year our team competes in the following tournaments: National Woman's Baseball Cup hosted by Chinese Taipei Baseball Association, National Woman's Baseball Invitational Tournament hosted by an amateur woman's baseball team alternately, LG Cup International Women's Baseball Tournament held in Korea, and Guam Women's Baseball Cup.

In the past fourteen years, over 75 baseball enthusiasts, 7 coaches, as well as many supporters contributed to our team's success in the world of women's baseball. The 2016 Phoenix Cup tournament will be the seventh time Taipei Vanguard Women's Baseball Team participates in. We always have great experiences and unforgettable memories in this event. We hope Phoenix Cup will keep growing and become one of the major tournaments in international women's baseball world. We also hope to create beautiful memories with other baseball enthusiasts from all over the world one more time.

Sunflower

向日葵女子棒球隊來自於台灣台中市，成軍至今已經歷經 13 個年頭，最初成立契機是由幾個熱愛棒球的女生，受到世界棒球賽的影響以及透過網路，在網友的聲援與支持下，在三十四屆世界棒球錦標賽後成立「向日葵女子棒球隊」，成軍的 13 年來，期間數度面臨無場地、無教練，甚至一度大量球員離隊，經過不斷的磨合與整合，向日葵就像太陽花永遠正面迎向陽光，大步向前。向日葵的教練團，總教練顏良吉顏總，總是用她的帶隊核心「快樂棒球學」當作向日葵的信念支柱，而永不放棄陪伴向日葵成長的賴定聰教練，與明星教練陳柏羽教練，更是永遠給向日葵最大的支持與鼓勵。未來期盼能將「快樂棒球」，分享給每一位熱愛棒球的人。
