Message / Hong Kong Baseball Association Year Book 2016-2017

Our own Hong Kong Baseball Association (HKBA) has been persistent and fervent in promoting the game that unites whole communities as families and friends are central to its success. Some of the credit for this surge of the game must be justly attributed to the Home Affairs Bureau which understands the appeal of the sport as a force for cohesion and cooperation across the city.

For the past year the Association has accomplished several notable feats in this endeavor as well, going from recruiting talents for the 12U squad to contend for honors at the 26th World Children's Baseball Fair in part to promote cross strait relations; staging the Asia Insurance Phoenix Cup, and to launching training programs for coaches plus the "Weeds on Fire" fund raising drive, each one culminating in success.

One would be amiss, however if he did not dwell upon a facet of the Association's undertaking – which is to interest and induce girls to partake in the game that has to be open to every person irrespective of gender and keep up with the times. For the VII edition of the WSBC World Cup that unfolded in September in Gijang, South Korea, the Association formed a team to compete against squads from around various countries and territories, thus giving our girls the ample opportunity to test themselves against high caliber players as a part of a wider development.

The year 2017 began auspiciously as the Association sponsored baseball demonstrations and trials under the auspices of the Great European Carnival. What is news too is the new Board of Directors elected in August 2016 with a mandate to advance the game even more so in the years ahead because the moment is propitious to spread the quintessential team sport and vie with the others for the loyalty of the athletes and their families and friends.

I am personally very proud of the baseball players and the Association which strives to make the game accessible. What they have achieved stands as a model for other sports entities to make athletic competition and active leisure integral to our way of life.

President

Mr. Riccardo FRACCARI
President of World Baseball Softball Confederation

Dear Fans, Players and Supporters of International Baseball and Women's Baseball,

This year's Hong Kong Baseball International Baseball Tournament, "Phoenix Cup 2017", marks the 10th anniversary since the launch of this exciting baseball platform, and it's a great honour to be a part of this special occasion. This 10th anniversary is a great sign of health and attraction not only for the Phoenix Cup but also for baseball and women's baseball, in general.

Teams/Clubs from six nations will be united through these four days of competition, with women baseballers from Australia, China, Guam, host Hong Kong, Japan, Singapore and Taiwan challenging each other at Sai Tso Wan Ground and Lion Park Baseball Field,

On behalf of the World Baseball Softball Confederation (WBSC), I send our congratulations to the leadership of the Hong Kong Baseball Association (HKBA) and Chairman Dr. Felix Yip, who is continuing on the legacy of past Chairman Philip Li. HKBA's vision of the Phoenix Cup is shared and endorsed by the WBSC, as women's baseball is the newest and fastest growing discipline under the WBSC umbrella.

The Phoenix Cup is an excellent and exciting pathway for young women to be better represented and have more opportunities in sport.

Since the founding of the Phoenix Cup in 2008, HKBA has continued to build this platform for women baseballers to shine. The positive impact of the Phoenix Cup serves as a driver for further developing our sport among young people and females, while reaching out to new baseball frontiers and increasing interest in our sport among new athletes and also support from communities/government entities.

As the global governing body for both baseball and softball, WBSC wishes the best of luck to the all the participating athletes, and we hope to see them compete at the Women's Baseball World in the future.

Mr. Philip LI
President of Hong Kong Baseball Association

It is my great pleasure writing to welcome you, the athletes, coaches and officials of the ten participating teams to play the Phoenix Cup 2017.

The Phoenix Cup has been the annual international women baseball event organized by the Hong Kong Baseball Association (HKBA) since 2008, therefore 2017 is the tenth anniversary of the Phoenix Cup, a special year of the international women's baseball. Hong Kong is a forerunner in promoting women's baseball. The Phoenix Cup is a landmark in the international women's baseball development.

Together with softball, baseball will be re-instated in the Tokyo 2020 Olympic Games. In my view, without women's baseball, without its fast progress over the past eight years, without the Phoenix Cup as one of the drivers of international women's baseball, baseball for men might not be able to return to the Olympic Games in 2020. Thanks to you all, women baseball athletes, for your passion in baseball and your perseverance in playing baseball. Yet ladies, don't be disappointed. There are major international baseball games sanctioned by World Baseball Softball Confederation (WBSC) and the regional baseball organizations available for women baseball athletes. HKBA is honoured to be the host for the debut Asian Women's Baseball Cup 2017 sanctioned by Baseball Federation of Asia (BFA). I look forward to seeing some of you this summer to play this debut tournament.

Lastly, I wish you enjoying the baseball matches of the Phoenix Cup you are going to play and a pleasant stay in Hong Kong.

Allies

Hong Kong

The Allies has been playing the Phoenix Cup every year since its inception. This year, apart from players played in the WBWC Women's Baseball World Cup 2016, young players emerge from the junior squad. We cherish every opportunity of playing baseball with elite players from other countries, and we are striving our very best in the coming Phoenix Cup 2017.

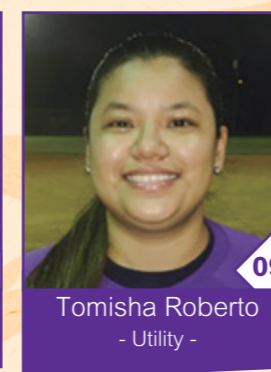

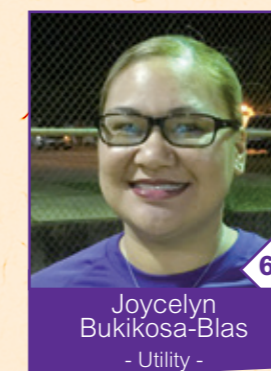

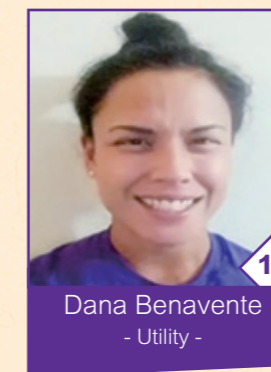

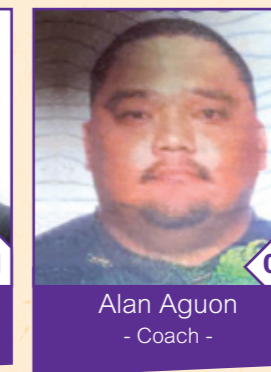

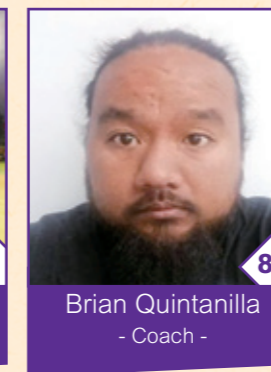

Allies 女子棒球隊於 2007 年 8 月為參加香港棒球總會 2008 年啟辦之鳳凰杯香港國際女子棒球錦標賽而成立。這年，除了曾參加第七屆 WBSC 世界盃女子棒球錦標賽 2016 外，不少優秀的年青選手加入球隊，希望今屆能作出突破，創造更佳成績。

Bottomed Out Guam

Team Bottomed Out was created from a group of accomplished softball players to play in the Guam Women's Baseball Cup in 2016. Since then, we have remained together as a team, adding key players and practiced to be a better group of players by focusing on baseball techniques to prepare for competition by high-level players from other countries. We sincerely appreciate the opportunity of playing international tournament teams. We look forward to playing our very best in the 2017 Asia Insurance Phoenix Cup and enjoying our time meeting fellow baseball enthusiasts, gathered in Hong Kong for the love of the sport. Participating in the Phoenix Cup will allow us to grow as baseball players and provide an opportunity to interact with female baseball players from around the world and help grow the sport on our home Island of Guam.

Bravo

Hong Kong

For the development of Women's baseball in Hong Kong, Bravo (formerly known as Development Team) was founded to help explore the potential of local players, provide opportunities for them to compete with other elite players overseas and gain valuable experiences through competitions. Since the joining of talented young players, we are looking forward to enhancing our baseball techniques and sense of competition by high-level international tournaments. Hopefully, it can provide impetus for the continuous growth of Hong Kong Women's baseball.

為推動香港女子棒球的持續發展，香港棒球總會成立了 Bravo 女子棒球隊（前稱 Development Team），以發掘有潛質的本地球員，並提供與世界各地好手切磋交流、累積經驗的機會。隨着一些有潛能的年青球員加入，我們期待透過高水平的國際賽事提升大家的技術及增強比賽意識，為香港女子棒球的持續發展增添新動力。

Buick Regals

Guam

The Buick Regals is comprised of a very talented group of women who are eager to represent Guam in the 2017 Phoenix Cup. For a handful of our players, this will be the second time participating in this tournament and for others it will be an exceptional experience. We would like to thank the HKBA for inviting us and we look forward to spreading our island's Hafa Adai spirit while enjoying the game that connects us all.

Far East Bloomers Japan

Congratulations on the monumental 10th tournament!

We are extremely honored and proud to participate in this event for 10 consecutive years since the very first tournament. It is a wonderful event filled with the hospitality of everyone in Hong Kong and we're looking forward to joining it every year.

Most of our players are playing rubber ball baseball in different teams back in Japan and gather at the time of overseas expedition to hardball baseball. This time it will be the 20th overseas expedition of Far East Bloomers. We have played baseball in the US, Canada, Australia, and Guam but Hong Kong is where we visited and played most often.

We would like to enjoy baseball quite well this time, too!

These adorable girls have the deep love for baseball and the enthusiasm for learning and practice. Although our team is no stranger to this tournament, we have much to learn from teams from around the world, coming to participate in one of the most anticipated women's baseball tournament.

Sunflower Women's Baseball Team Taiwan

向日葵女子棒球隊來自於台灣台中市，成軍至今已經歷經 15 個年頭，最初成立契機是由幾個熱愛棒球的女生，受到世界棒球賽的影響以及透過網路，在網友的聲援與支持下，在三十四屆世界棒球錦標賽後成立「向日葵女子棒球隊」，成軍的 13 年來，期間數度面臨無場地、無教練，甚至一度大量球員離隊，經過不斷的磨合與整合，向日葵就像太陽花永甚至一度大量球員離隊，經過不斷的磨合與整合，向日葵就像太陽花永遠正面迎向陽光，大步向前。向日葵的教練團，總教練顏良吉顏總，總遠是用她的帶隊核心「快樂棒球學」當作向日葵的信念支柱，而永不放棄陪伴向日葵成長的賴定聰教練，與明星教練陳柏羽教練，更是永遠給向日葵最大的支持與鼓勵。向日葵一路走來熱愛棒球始終如一，始終如一熱愛棒球，未來期盼能將「快樂棒球」，分享給每一位熱愛棒球的人。

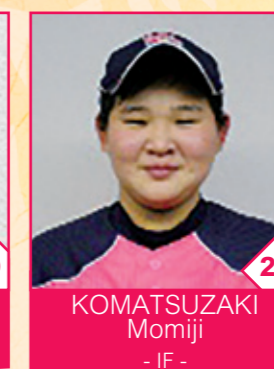

Venus Stars Youth Team Japan

Venus Stars Youth team is consisted of U-16 players from Venus League, which is the biggest women's baseball league in Japan and leagues are located in Tokyo Area.

11 players are from team called [LS Ladies] and 8 players are from [All Keikyu] both teams are Top Youth teams in Venus League. It is our very first experience to have games in overseas and we are all excited.

Appreciate so much for HKBA for giving us such a great opportunity. We are also very excited to build a friendship with other teams through baseball and want to enjoy Hong Kong!

YWPS Drum Team

中國鼓隊

The Drum Team of Ying Wa Primary School (YWPS) was first established in 2004. Since 2010, the team has been titled "The Thunder-Makers". Since its inauguration, the team has taken active parts in contests of the drum festivals with sparkling results. They have very often been invited to perform in different occasions. In particular, they had got tremendously positive receptions during their visit in the Central Conservatory of Music (Beijing) and their cultural and artistic exchange with the Shanxi Jiangzhou Drum Troupe.

英華小學鼓隊於2004年成立，並由2010年開始，取名為《鼓樂英騰—The Thunder-Makers》。鼓隊成立至今，積極參與鼓樂節比賽，成績驕人；更被邀參與各類型演出，並遠赴北京中央音樂學院及山西絳州鼓樂藝術團進行交流，表現大獲好評。
