I am delighted to congratulate the Hong Kong Baseball Association on organising the "Phoenix Cup 2018 - Hong Kong International Women's Baseball Tournament".

For the eleventh consecutive year, the widely acclaimed Tournament brings to our doorstep a constellation of international baseball talent. Twelve world-class teams from Mainland China, Japan, Guam, Singapore, Taiwan and Hong Kong will go all out vying for the prized title. I am confident that with the stellar skills, exemplary teamwork and indefatigable spirit to be demonstrated by the players, this high-level event will not only pique our community's interest in baseball, but also reinforce Hong Kong's position as a regional hub for major sports events.

May I wish the Tournament every success and all participating teams the best of luck.

Message

If last year's rendition of the Phoenix Cup tournament was a gauge, in which in the finals the team from Japan triumphed over the one from Australia in an exciting battle of will to the end at a score of 11 to 9, the one for 2018 will be no less intense because the level of skill is so high and so evenly matched in international baseball. We in Hong Kong love sports, love baseball, and love women who partake and excel in these because they exemplify grace, prowess and resolve and also because what takes place in the field reflects what goes in life as a struggle to succeed is a daily constant.

Our city is unrivaled as a venue not only for our facilities to host but also of the warm welcoming gracious quality of our people. We have thus cultivated through the years and the events in passing this reputation to the point that nowhere else in the region is better to be the stage for competition with a knowledge and appreciative crowd whose presence enhances the atmosphere and puts at ease the athletes all the more driven to strive and impress.

We relish baseball as the quintessential team sport because to win is never a solo enterprise but always a collective effort that also lends itself to individual heroics. Women's baseball is especially thrilling because their game is played so fervently and the skills are so apparent that these seem effortless, bringing crowds to their feet. We are sure that the 2018 tournament will be competitive and also festive for playing the game is not complete without having the fans feel engaged and at one with the teams.

We root for the players for, as the phoenix, their sport of choice never ceases to rise and be reborn....

Riccardo Fraccari

President
World Baseball Softball Confederation

Dear Fans, Players and Supporters of Women's Baseball and International Baseball,

Women's baseball is the fastest growing discipline under the World Baseball Softball Confederation (WBSC), and the "Phoenix Cup 2018" Hong Kong International Women's Baseball Tournament ("Phoenix Cup 2018"), its 11th edition, not only reflects this growth, but also supports it.

It's a great honour and duty for WBSC, as the world governing body, to recognise this great international tournament and be a part of it. The Phoenix Cup is an exciting and important pathway for young women to be better represented and have more opportunities in baseball and in sport in general.

It's also exciting to see women's baseball teams from China, Guam, Japan, Singapore, Taiwan, and two Hong Kong National Teams, including a development team, competing in the Phoenix Cup 2018.

With each edition of the Phoenix Cup, HKBA provides a platform for women baseballers, coaches, umpires and scorers to shine and raise their levels. The positive impact of the Phoenix Cup serves as a driver for further developing our sport among young people and females, while involving important government entities, such as Hong Kong's Home Affairs Bureau (Arts & Sport Development Fund) and Leisure and Cultural Services Department.

WBSC commends the Hong Kong Baseball Association (HKBA) under Chairman Dr. Felix Yip, who is continuing on the legacy of past Chairman Philip Li. WBSC also endorses HKBA's vision of the Phoenix Cup, which supports growth and visibility of the game domestically and internationally.

On behalf of the WBSC, I wish the best of luck to the all the participating athletes, and I hope to see many of them aspire and compete in the WBSC Women's Baseball World.

President of Hong Kong Baseball Association

Message from the President

On behalf of the Hong Kong Baseball Association, I am writing with pleasure to welcome the 12 teams from China, Guam, Japan, Korea, Singapore, Taiwan and Hong Kong to play the Phoenix Cup 2018 – Hong Kong International Women's Baseball Tournament.

The Phoenix Cup 2018 is its 11th time in a row since its inception in 2008. Hong Kong being a fore-runner of international women's baseball is proud of having the perseverance to host the Phoenix Cup on an annual basis.

In the past, women were blocked out from playing baseball due to the social value that women were not physically fit to play energy-consuming sports such as football and baseball. This scene has been changed in the light of prevailing equality for man and woman in sport. In fact, the number of women baseball players keeps on increasing in the world. Women have proven themselves fit to play baseball and they can play it well. The increasing number of participating teams in the Phoenix Cup and their rising standard in baseball over the past ten years are the solid proof of the flourishing of baseball in the female world.

I wish the players of the teams coming to play the Phoenix Cup 2018 playing to their highest standard and enjoying the friendship arising from the matches and gatherings throughout their stay in Hong Kong.

Philip Li

Message

Dr. Felix Yip
Chairman of Hong Kong Baseball Association

It is with my great honour to welcome you all to the Phoenix Cup – WBSC Hong Kong International Women's Baseball Tournament 2018, one of the signature tournaments of HKBA of the year. We are so proud of the increasing popularity as well as significance of the Tournament in Baseball community worldwide, attracting 10 teams from China, Japan, Guam, Singapore, and Taiwan to compete with our two local teams for the Championship title this year. It is really a remarkable record and an encouraging result to us in HKBA, and we shall indeed take on the challenge to sustain the success of the Tournament with all of your support.

I must specially thank the Home Affairs Bureau and the Leisure and Cultural Services Department of Hong Kong SAR for their unfailing funding support to the Tournament since its inauguration.

As always, the success of the Tournament should rely very much on the strong supporting team from umpires, scorers, volunteer workers and baseball lovers. It is really what the spirit of baseball is all about. I sincerely thank you all for your continuous support and jointly catch the baseball dreams with us together.

Wish all players and baseball lovers enjoy every moment of the Tournament!

Taiwan

Taipei Yu-Sheng HighMatch Women's Baseball Team was established in 2012. As a young team established only 5 years. Bearing the enthusiasm in baseball, we have overcome many difficulties and obstacles just to perform our best on the field.

Some of our players majored in fast-pitch softball in school as a professional player, while the others just started learning baseball as a leisure activity. Nevertheless, all of us enjoy the happiness of playing baseball together in HighMatch. In detail, our team is formed with players from different fields, including softball coaches, athletic trainers, painter, sales, teachers, chef, bus driver, nurse, students, etc. Besides the baseball skills, we also learn about the faith of life, and become a tougher person together. We are not only a team but a family.
