Message

We are privileged to stage this 2019 tournament, the Phoenix Cup, comprising ten teams, held under the auspices of the World Baseball Softball Federation and with support from our Home Affairs Bureau and the Department for Leisure and Cultural Services, at Sai Tso Wan Recreation Ground and Lion Rock Park between the 22nd and 25th of February. We have earned a formidable reputation as a host city for baseball competition because hospitality is our genes, excitement is our way of life and sports we love – and in which we want to excel. Our players feel themselves very blessed to take up the challenge from the other elite teams and do so upon home turf before friends and family. Let us play ball, entertain and enjoy the camaraderie intrinsic to the game where the diamond is the start of the action.

President
World Baseball Softball Confederation

Dear Fans, Athletes and Supporters of Women's Baseball and International Baseball,

Welcome to the 12th edition of the Phoenix Cup, the Hong Kong International Women's Baseball Tournament, which brings together 10 teams from six nations, including teams from China, Guam, Japan and Singapore, as well as Hong Kong's own national teams.

It's a great honour and duty for the World Baseball Softball Confederation (WBSC) to recognise and officially sanction this great women's baseball international event. The WBSC considers the Phoenix Cup to be an exciting and important platform for young women from all these countries and territories to have more opportunities in baseball and in sport in general, while showcasing their talents, hard work and passion on the field of play.

With each edition of the Phoenix Cup, the Hong Kong Baseball Association (HKBA) provides a unique tournament for athletes, umpires and coaches to grow both the women's baseball movement and the international baseball movement. The positive impact of the Phoenix Cup serves as a driver for further developing our sport among young people and females, while involving important government entities, such as Hong Kong's Home Affairs Bureau (Arts & Sport Development Fund) and the Leisure and Cultural Services Department.

WBSC commends the HKBA under President Philip Li and Chairman Andrew Fan. WBSC shares HKBA's vision of the Phoenix Cup, which supports the growth and visibility of the game, both domestically and internationally.

On behalf of the WBSC, I wish the best of luck to the all the participating athletes, officials and host HKBA, and I hope to see many of them realizing the dream to make it to the WBSC Women's Baseball World Cup.

Baseball Tournament**

On behalf of the Hong Kong Baseball Association, it is my pleasure to welcome you all to the "Phoenix Cup 2019" WBSC Hong Kong International Women's Baseball Tournament.

The HKBA is dedicated to developing the game of baseball for both women and men. In its 11th edition, the Phoenix Cup has been the celebration of women's baseball in Hong Kong. Every year we welcome various women's teams from around the world. This year is no different as 9 teams from China, Guam, Japan, Singapore and Hong Kong will be competing for the championship.

The Tournament will not be successful without the sanction from World Baseball Softball Confederation, as well as the subvention from the Home Affairs Bureau and the Leisure and Cultural Services Department of the Hong Kong government.

In addition, the Tournament will not be possible without our umpires, scorers, local baseball supporters, volunteers and HKBA staff.

Have fun!
