Mr. Timothy Fok, GBS, JP

President of Sports Federation &
Olympic Committee Of Hong Kong, China

There is not a merrier manner to close an exciting sporting year than with a tournament of baseball, a game that has continued to grow as affirmed here with this competition involving six teams and sponsored by the Hong Kong Shanghai Alliance, the Home Affairs Bureau as well as the Arts and Cultural Services Department. Baseball, whether soft or hard, more than any other sports thrives as a communal endeavor with everyone chipping in, parents, players, coaches, enthusiasts and companies. Hong Kong has not been short of sporting volunteers who derive such pure pleasure from participation and pride themselves in giving time, resources and encouragement to others. Baseball has taken root here precisely because of this altruistic spirit of engagement which is duly recognized with gratitude by the Sports Federation and Olympic Committee. This Baseball Open is crystal proof once more of how people coming together could overcome challenges and transcend the limits placed before them if they worked as individuals. The same applies in principle outside of sports for our city has gained by having folk stepping up and doing more than their share to make something they love a success. May be this message be the one spread far and wide as the players take to the field and await the umpire's signal to launch the series.

President of World Baseball Softball Confederation

Dear International Baseball Players, Friends, Fans, Clubs and Officials:

The WBSC is proud to grant a sanction and recognise the Hong Kong Shanghai Alliance - Hong Kong International Baseball Open (HKIBO 2016).

The fifth edition of this international baseball competition will bring together eight teams from five different nations and regions, including China, Hong Kong, Philippines, Russia and Chinese Taipei. From 17-20 December, this international collection of players, coaches, officials and umpires, will share the same stage in Hong Kong.

And through the HKIBO platform, the Hong Kong Baseball Association (HKBA) continues to support the development of our global sport across both genders and beyond its own borders. HKBA has done great work to engage partners, sport/culture authorities and sponsors for this international event. This is only possible because of the growing popularity of baseball, and also the rise and attraction of baseball, which HKBA continues to promote.

WBSC is grateful to HKBA, the local authorities, sponsors, officials and volunteers who make this event possible and celebrate our sport internationally - giving the athletes another opportunity to unite and demonstrate their talents.

Wishing best of luck and international friendship, respect and fair play to all the teams and athletes playing in this important HKIBO competition.

Mr. Abraham Key

President and CEO of Protect Our Nation's Youth

Hong Kong Baseball Community;

I would like to extend my warmest regards and greetings to all of our friends in Hong Kong. The relationship between PONY Baseball, the Hong Kong Baseball Association and the Asia Pacific Zone is a very traditional and time honored one.

It is a great pleasure and an honor to recognize the Hong Kong Shanghai Alliance - WBSC Hong Kong International Baseball Open 2016 (HKIBO 2016) and the Fifth Hong Kong International Baseball Open. Baseball has been and continues to be an inspiration to thousands of young baseball players throughout Asia and the world.

PONY Baseball and Softball in Asia was founded with six original 13 and 14 year-old teams in May of 1975 at Kawasaki Stadium in Tokyo, Japan. PONY Baseball annually provides thousands of young children the opportunity to grow into healthier and happier citizens through their exposure to organized baseball.

The game of baseball is truly a game that knows no cultural or socio-economic boundaries. Baseball is played in over 110 countries throughout the world and continues to grow. PONY Baseball and Asia continue to work together to provide as many youth the opportunity to learn the game of baseball as possible. I want to thank the leaders, specifically our friends in Hong Kong and Chairman Dr. Felix Yip for their vision and leadership in developing baseball and PONY Baseball's Asia-Pacific Zone.

Many have played a role in the development of PONY Baseball in Asia, including Shinsuke Itoh, Rodolfo Tingzon, Bill Simmons, Russ Simmons, Milton DuBane and Roy Gillespie. Mr. Itoh and Mr. Tingzon from the Philippines are credited with the

development of the PONY Baseball Asia Pacific Zone. They have impacted the lives of children through the game of baseball in Hong Kong, Japan, Philippines, China, Korea, Taiwan, Australia, Singapore, Malaysia, Vietnam, Thailand, Indonesia, Cambodia, India, New Zealand and Russia.

PONY Baseball is very fortunate to be able to participate with Asia Baseball and provide thousands of young people in Hong Kong and the Asia-Pacific Zone an opportunity to experience the thrill of baseball competition in a safe environment. Through their exposure to the game of baseball, the participants learn valuable lessons in leadership that will allow them to become more productive citizens in the future, making our world a better place to live.

Under the guidance of Chairman Yip, PONY Baseball and the Hong Kong Baseball Association will continue to prosper and provide more opportunities to the youth of Hong Kong and the Asia-Pacific Zone. Our thanks to the many people of Hong Kong Baseball and Dr. Felix Yip for their continued interest in and promotion of baseball in the Asia-Pacific Zone.

This year marks PONY Baseball's 66th anniversary. We want to extend our thanks to our players, coaches, fans and friends for 66 great years of providing baseball and softball throughout the world, but more importantly for many years of baseball in Hong Kong.

Protect Our Nation's Youth,

Abraham Key

Mr. Philip Li

Welcome teams from China, Philippines, Russia, Taiwan and Hong Kong to play the Hong Kong Shanghai Alliance - WBSC Hong Kong International Baseball Open 2016.

Thank you Mr. Andrew Yao, the Honourable President of Hong Kong Baseball Association, for his generosity on bringing in Hong Kong Alliance to title-sponsor this tournament. Thanks also go to the Hong Kong SAR Government for its subvention to make this tournament possible.

Since its inception in 1993, Hong Kong Baseball Association has been promoting baseball with its best efforts under the circumstances of limited playing fields available, yet the passion of the Hong Kong baseball lovers has not cooled down, on the contrary, it intensifies.

The Hong Kong International Baseball Open is a mile stone in the Hong Kong baseball development. I trust that the playing skill of baseball players who come to play this tournament will be enhanced and I expect some of you will have the chance to play the Tokyo Olympic Games 2020.

So, enjoy playing the games of this tournament and your stay in Hong Kong.

Ateneo Blue Eagles

Ateneo de Manila is one of the top universities in the Philippines with regards to their academic standards and athletic achievements. The Ateneo baseball program has won the UAAP (Philippine collegiate national championship) 3 out of the 4 last years. In addition, the university has also finished 1st during the 2014 Hong Kong Baseball Tournament. Despite being a young team, this group is expected to perform at a high level. Last year's team broke Ateneo's regular season record, with a standing of 9 wins and 1 loss, but fell short of winning the championship. Their goal this year is to regain the collegiate title and win the Hong Kong tournament once again. Led by coaches Randy Dizer, Emerson Barandoc, and Luke Bernardo, their team is set to regain their winning streak.

Shang Lei Construction and Development Baseball Team

台灣上磊開發棒球隊，成立於 1988 年，創隊始於一家體育用品販售專門店同名贊助高級中學學生棒球隊為班底，並推廣棒球運動。歷經近 30 年的歲月，球隊多次改名至今上磊開發棒球隊。多數球員仍為老班底，並加入各年齡層的新血，延續棒球隊創隊初衷『讓愛棒球的孩子，延續隊棒球的愛。』

球隊初期球衣設計以紅色系列為主，並參與多次同等級賽事，均取得優異成績。領隊嚴厲要求每位球員以認真負責的態度對待每一場比賽，每一位對手，比賽過程均需全力以赴。與我們對戰的對手，無不戰戰兢兢。球隊如此戰功彪炳，得到了『紅色霹靂火』這令人聞風喪膽的綽號。

球隊於 2005 年起，開始與國際接軌，固定參與國際級邀請賽事。多年來出訪國家有日本、韓國、香港、關島等多國舉辦的國際賽事。

人們喜愛棒球，不會因為不同國家、地區或語言的隔閡而有所距離。因為棒球，我們有了共同的語言，有了共同的目標，愛棒球運動，推廣棒球運動。以球會友，打到不能動為止。

Hong Kong

Typhoons

The Typhoons Baseball Club was founded in 2013. We started as a group of expatriate baseball players living in Hong Kong who mostly hail from North America (with the odd player from the southern hemisphere). The Typhoons have grown in the past three years to include many local players as well. Our goal is to continue playing the game we love at a competitive level and to help foster the development of baseball in Hong Kong by bringing the next generation of ball players into the Typhoons family. We are honored to be involved in the HKIBO tournament again this year and look forward to playing against these talented teams from all over the world.

Russia

Vladivostok Tigers

Baseball team Vladivostok Tigers will take part in HKIBO for the fourth straight year. The annual meetings with the teams from East Asia help Tigers to improve skills and become one of the leaders of the Russian baseball. Some new young players join our team and will have an experience in games with Asian quads.
