The phoenix is of course the mythical bird reborn to take flight from the fire to which it was cast, symbolizing hope eternal. The metaphor could not be more apt for the Cup named in its honor and in that also of the women who adopt the "game of spring" as thier own together with homage rendered the pioneers, those semi-professionals in filling the void left behind by the men in duty during the Second World War. Until then baseball had been a male preserve and indeed since the game's invention in the 19th Century. Not only did the women break the mold in 1943 but they also lead the way towards the desegregation of the sport so that ethnic minorities could play professionally at the highest level. These ladies with the perfect pitch and the swishing swing, in breaking the barrier, spurred on the movement to give women equal opportunities in many other sports as well and in society in general. The Cup is, thus, a tribute to the past players and equally to the contemporaries who prove again that women are not inferior and are capable of playing an exciting, competitive game when given a chance. Hong Kong has become the ideal venue for the Cup because it, more than any other city in Asia, has embraced and practiced more fully equality between the genders in every endeavor and for that its citizens, men and women, are right to be proud. So once again for 2011 the Phoenix in a baseball uniform as represented by teams from around the world will rise from the blaze with its wings stretch to soar.

Back in the 30s and 40s of last century when I was a child, there was no woman wearing title like "madam president", "female pilot", "female weight lifter" or "female pole jumper". Hence, when I first saw our Hong Kong women baseball team stepped on the baseball diamond for their debut participation in the Women's World Cup in 2006, it brought back my fond memory of eighteen years ago.

In 1993, the first women baseball training course commenced in Hong Kong. It was held on the Ho Man Tin Reservoir soccer field, where the girls had their first contact with baseball on the foot-long grass. They touched everyone there by their sweat-and-tear playing Now they fly over the rainbow with the "Phoenix".

In every issue of "Run", the Association's magazine, on the second page printed our "Mission". Eighteen years ago when we drafted the last sentence of our Mission: "Spring our baseball out of Hong Kong to the World", we thought it was a remote dream that would not happen in the near future. But, today, with surprise, our dream comes true by the women players who were in neglect in the past.

Being an early baseball promoter, a founding member of the HKBA, the president of the Hong Kong Baseball Association and also an ever-lasting lover of baseball, I would like to convey my deepest respect and gratitude to all women baseball players for their endeavor and results achieved.

I wish every baseball player a happy and joyful stay in Hong Kong.

My hearty congratulations on the "Phoenix Cup 2011"!

I am delighted to see players of a broad range of nationalities coming to play the "Phoenix Cup" Hong Kong International Women's Baseball Tournament 2011. This signifies that baseball is getting more popular in the international women's community.

Baseball has been removed from the event list of Olympic Games after the 2008 Beijing Olympics, but I am confident that its departure is temporary that it will return to the Olympics Games in not a long distant future as baseball lovers and promoters round the globe are working very hard to show the world that baseball is a sport good for people's health of all age groups, a sport which can strengthen family bondage and enhance international relations.

Hong Kong is a fore-runner of women's baseball in the world. The Hong Kong women baseball athletes have overcome the difficulties of a shortage in baseball pitches and long working or studying time. They have endeavoured to practise and play baseball every week over the past years without taking a break. Their strong passion and sport spirit are no less than their opposite gender. Nowadays, baseball is a sport for both man and woman, not man only.

The "Phoenix Cup" is now entering into its fourth anniversary. Thanks to the support of the Hong Kong SAR Government and a lot of friends. I would like to thank Asia Insurance for its title sponsorship of the event, Home Affairs Bureau and Leisure and Cultural Services Department for their financial and spiritual support, the Organising Committee of the "Phoenix Cup" and the staff of the Hong Kong Baseball Association for their hard work over the past ten months. Special thanks are appropriate to the volunteer workers, coaches, umpires, scorers and association directors and the women baseball players for their perseverance and efforts in keeping the ball of "Phoenix Cup" rolling.

Lastly, I wish all players would enjoy all the matches they are going to play and have a wonderful time in Hong Kong during their stay.

**INTERNATIONAL BASEBALL FEDERATION
FEDERACIÓN INTERNACIONAL DE BÉISBOL**

Dear Baseball Fans,

The *2011 Phoenix Cup* marks the 4th consecutive year in which this exciting event is played, and as in the past, the gracious hosts—the *Hong Kong Baseball Association (HKBA)*—have once again put together something special, with seven teams from across the globe being brought together on one stage in Hong Kong.

Since the inception of the Phoenix Cup back in 2008, HKBA has continued to place great emphasis on this important event, and the *International Baseball Federation (IBAF)* is surely indebted to our colleagues in Hong Kong for providing the opportunity and apparatus for women baseball athletes to display their talents at the international level. The positive impact of the Phoenix Cup will continue to stimulate further development of our sport among females, while reaching out to new baseball frontiers.

The spirit and philosophy of the Phoenix Cup is most definitely shared by the IBAF, and for this reason, the IBAF will institute a *Defender* challenger starting with this year's Phoenix Cup. The Defender trophy shall be given to the championship team and must be defended each year.

Before I wish luck to all competing teams, I would like to, one again, thank our esteemed colleagues at the Hong Kong Baseball Association for their diligent and passionate efforts in organizing this international women's baseball event.

I wish with the best of luck to each of the participating countries. I truly hope the teams, fans, parents, the local organizers all take away a proud and positive experience from 4th ever Phoenix Cup.

Protect Our Nation's Youth

Hong Kong Baseball Community;

I would like to extend my warmest regards and greetings to all of our friends in Hong Kong. The relationship between PONY Baseball, the Hong Kong Baseball Association and the Asia Pacific Zone is a very traditional and time honored one.

It is a great pleasure and an honor to recognize the Phoenix Cup 2011, Hong Kong International Women's Baseball Tournament. Baseball has been and continues to be an inspiration to thousands of young female baseball players throughout Asia.

PONY Baseball and Softball in Asia was founded with six original teams in May of 1975 at Kawasaki Stadium in Tokyo, Japan. PONY Baseball annually provides thousands of young children the opportunity to grow into healthier and happier citizens through their exposure to organized baseball.

The game of baseball is truly a game that knows no cultural or socio-economic boundaries. Baseball is played in over 100 countries throughout the world and continues to grow. PONY Baseball and South East Asia continue to work together to provide as many youth the opportunity to learn the game of baseball as possible. I want to thank the leaders, specifically our friends in Singapore and Sunny Sultan, for their vision and leadership in developing baseball and PONY Baseball's Asia-Pacific Zone.

Many have played a role in the development of PONY Baseball in Asia, including Shinsuke Itoh, Rodolfo Tingzon, Bill Simmons, Russ Simmons, Milton DuBane and Roy Gillespie. Mr. Itoh and Mr. Tingzon from the Philippines are credited with the development of the PONY Baseball Asia Pacific Zone. They have impacted the lives of children through the game of baseball in Japan, Philippines, China, Korea, Taiwan, Australia, Singapore, Hong Kong, New Zealand and Russia.

PONY Baseball is very fortunate to be able to participate with Asia Baseball and provide thousands of young people in Hong Kong and the Asia-Pacific Zone an opportunity to experience the thrill of baseball competition in a safe environment. Through their exposure to the game of baseball, the participants learn valuable lessons in leadership that will allow them to become more productive citizens in the future, making our world a better place to live.

Under the guidance of Philip Li, PONY Baseball and the Hong Kong Baseball Association will continue to prosper and provide more opportunities to the youth of Hong Kong and the Asia-Pacific Zone. Our thanks to the many people of Hong Kong Baseball and Philip Li for their continued interest in and promotion of baseball in the Asia-Pacific Zone.

This year marks PONY Baseball's 60th anniversary. We want to extend our thanks to our players, coaches, fans and friends for 60 great years of providing baseball and softball throughout the world, but more importantly for many years of baseball in Hong Kong.

Protect Our Nation's Youth,

Allies

Hong Kong

The Allies was formed in Aug 2007 in order to prepare for the first international women's baseball tournament hosted by HKBA in Hong Kong. Most Allies teammates had participated in the 4th Women's Baseball World Series held in Japan in 2004 and the Women's Baseball World Cup held in 2006, 2008 and 2010. Being the delegates of the Allies for the forthcoming Phoenix Cup Hong Kong International Women's Baseball Tournament, we are very honored to have the opportunity to play with the elite women's baseball teams from Asia-Pacific and North America regions.

We did our best record and won the 2-nd running up in 2010 Phoenix Cup. We will keep up and do better this year.

Lastly, We sincerely thank the Hong Kong Baseball Association for their tremendous supports in making the event successful.

Allies隊於2007年8月為應香港棒球總會為舉辦此次國際女子棒球錦標賽成立。Allies隊大部份成員曾參加過加2004年於日本舉辦的第四屆女子棒球世界賽及2006、2008、2010年的世界盃女子棒球錦標賽。作為Allies隊成員,我們非常榮幸能有機會在香港與來自亞太區及北美區的優秀的女子棒球隊切磋球技。

我們在上屆鳳凰盃取得第三名,是歷年最好成績。希望我們今年能承接上年佳績,再創造好成績。

最後,我們衷心感謝香港棒球總會的全力支持,令此項國際女子棒球賽事能夠持續地發展。

Team Introduction

DDDBall Korea

Hello! We are a Korea Women's Baseball Team, DDDBall!

We were established as a women softball team in 1997, and started to play baseball in 2006.

All players are amateurs who really enjoy playing not only baseball but also all kinds of sports.

Even though we have pretty short history about baseball career, we are really proud of our achievement in several tournaments in Korea. We took second place 2 times, and third place 2 times in Korea Women's Baseball Tournament. Also, we were runner-up 2 times in Korea Women's Baseball League in capital area.

Now, we are challenging Hong Kong International Women's Baseball Tournament for sports and cultural exchange with lots of international teams. We hope to enjoy games and eager to promote good fellowship. Thank you!

We are honored to be able to take part in the tournament once again in Hong Kong. Every year, we look very forward to getting out from Japan in the middle of the winter and playing baseball in the warm weather of Hong Kong. The wonderful part of this tournament is that the organizer and all the volunteer workers treat us so kindly that we can concentrate on playing and also enjoying baseball itself.

We are departing towards Hong Kong looking forward to seeing our baseball mates again after an year.

また香港の大会に参加することができ、とても光栄に思います。

The various levels of experience of the Earth Stars include youth baseball and softball, high school baseball and softball, adult recreational and elite level baseball and softball, collegiate baseball, collegiate softball, professional softball, and women's national team baseball. Some of its players also have coaching and instructing experience in baseball and softball, and some are women's baseball organizers and promoters. 少林迷踪派

上千年來，中國各拳術門派之精華融匯於少林寺；少林寺實際成了武術集散地，並在長期發展中形成了少林派。少林派亦因此而名揚天下。

「迷踪拳」為眾多少林武術派別中之一種，其特點在於運用時注重閃、展、騰、挪四種手法，從而演化其獨特之功效及高深莫測之技法。

「迷踪拳」之為用，全在靈活驍悍，其進也急，其退也疾，飄忽不定。其拳步手法，進退急驟，縱躍靈巧。其身步手法施展時，忽而旁突，忽而騰身踢腳，又急而低馬撲腿，忽上忽下，玄妙莫測。殊不知勁之所由生，其力之所由來；誠少林名派武術也。

Shaolin Mizong Wushu

In the past hundreds of years, the essence of various schools of the Chinese martial arts was integrated in the Shaolin Temple, making the temple actually a centre of martial arts. The Shaolin School of martial arts came into being after a long time development. The Shaolin Style became well known far and wider.

Mizong Style Wushu is one of the various schools of Chinese martial arts. The main characteristics of practising Mizong Style are focused on sidestepping, openstretching, flyattacking and disengaging. It has become more and more useful because of its special efficacy and profound unfathomable skills.

齋色園主辦可藝中學銀樂隊

可藝中學銀樂隊，前身為小組合奏團及銀樂隊，其後為配合學校制服團體計劃，加入步操及儀旗等項目，令表演更多元化。

除了參與本地銀樂隊比賽，可藝中學銀樂隊曾代表香港遠赴韓國，於國際性賽事中奪魁，並曾獲奧運馬術有限公司邀請於2008年奧運會及殘奧會上，為來自世界各地的觀眾進行了四場表演。足証其演奏質素已達相當水平。

Marching Band of Ho Ngai College

The Marching Band of Ho Ngai College was transformed from the College's ensemble and brass band by adding the elements of marching, uniform and flag-raising ceremony so that its performance is more colorful and rich.

Besides participating in the local competitions, the Band has represented Hong Kong to compete the international marching tournament held in Korea and won the champion.

In 2008, the Band was invited to perform for four times during the Equestrian Event, being part of the events of Beijing Olympic 2008. All the above can show the high quality of the Band.

輕輕鬆鬆看棒球 Learn About Baseball

戴于程 John Tai
輔仁大學體育系棒球專長
1987~89台北體專青棒隊球員

棒球其實就如其他運動項目一樣簡單容易，只要了解場地及比賽規則，就能好好的欣賞一場精彩棒球比賽了。

棒球比賽主要分成主隊及客隊。兩隊依上、下半場分別進行攻隊及守隊的任務，三人出局攻守交換，每打完一次上、下半場稱為一局。而棒球比賽依年齡及賽制有六局、七局及九局之分。比賽勝負依雙方所得分之總數多寡而定，如果打完正規局數而未分勝負，就依競賽規程而定是否以和局收場或是加打延長賽到分出勝負為止。

而棒球場的形狀就如同鑽石般美麗動人！把它分割成上下二個部份（不是左右），上半部也就是較大面積的部份稱為外野區，而下半部稱之為內野區。

而內野區再縮小範圍會以本壘為中心點向這顆鑽石的垂直中心線劃出二壘，再以本壘及二壘為中心分別取出一壘及三壘。就這樣由四個壘組成正方形，每個壘的壘間距離是90呎。而棒球比賽的主角—投手所站投手板的位置就在離本壘60呎6吋地方，當然也是在這顆美麗鑽石的中心線上了。而投手最基本的任務就是將球投進好球帶之內。

而這顆美麗鑽石到底有多大呢？以本壘為起點分向二邊延伸，通過右邊的一壘及左邊的三壘，一直延伸到325呎的地方就是棒球場左右二邊的理想距離(左右二條延伸線稱之為界內區，反之為界外區)；而中間當然也是以本壘板為起點通過二壘一直延伸到400呎為理想距離。不過棒球場之大小有時還是會依當地場地環境而有所變化，就如同鑽石之美也在於藝術家之巧奪天工的手藝了（少年棒球依賽制會縮短投手、壘間及球場之距離）。

有了初步對棒球場的概念之後就來說說守備和進攻吧！

堅固的守備能力可以減低失分同時也是最佳的進攻。內野區的防守以站在投手丘投手為中心，搭配上蹲在本壘後面身著護具負責接投手球及指揮全場的捕手，以及防守每個壘包的一壘手、二壘手及三壘手（注意他們可不是死死的守在壘包上哦），再加上視為全隊移動力最強的游擊手等六人共同組成。而幅員遼闊的外野區的則交由左外野手、中外野手及右外野手三人把守。守備的球隊就是由這九個人拿著棒球手套共同組成，將進攻方所擊出來的球攔截下來並做出最適當的處理。

有防守就有進攻這是運動最公平的地方。除了投手可以選擇指定擊球員之外，每位防守球員都必須出場打擊；換句話說，有出場打擊的球員，同時也必須盡到防守的任務。進攻球隊的擊球員必須依照打擊順序輪流站上擊球區進行打擊的任務，當其擊出球後身份就轉變成擊跑員，如能因安打、四壞球而站上壘就稱之為跑壘員；一棒打全壘打就可以以慢跑的方式安全回壘得分。反之若是被投手給三振或是被守備人員刺殺就稱之為出局。而負責判定及維持比賽之進行的人物就是主審及壘審。

棒球比賽所使用的球是由軟木橡膠或類似材料為蕊，捲以絲線共由兩片白色馬皮或牛皮緊緊包紮並縫合。球棒必須為平滑之圓形棒，最粗之部份不得大於7公分，長度不得長於106.7公分。

而棒球比賽中最吸引人的地方莫過於兩隊總教練的大鬥智及投手與打者之間英雄式的對決。有了種種不同的元素，不但使棒球更精彩，更加吸引人，同時也創造了不少棒球的神話。
