## MESSAGE

**Mr. Kevin YEUNG Yun-hung, GBS, JP**

*Secretary for Culture, Sports and Tourism*

*The HKSAR Executive Council*

I would like to express my heartiest congratulations to the Baseball Association of Hong Kong, China on staging the WBSC Baseball5 World Cup 2024 and extend a warm welcome to all baseballers, staff, and fans from around the world.

Baseball5, invented by the World Baseball Softball Confederation (WBSC) in 2018, is a new five-on-five street version of the game of baseball, which could be played indoor or outdoor, and is gradually gaining popularity in densely populated areas. Despite being developed in less than a decade, it has been included as one of the events in the 2026 Summer Youth Olympics.

This edition of the World Cup brings together 12 powerhouses from five continents, including our home team, to battle it out for the coveted title at the Central Harbourfront Event Space. The energetic scenes of players crushing balls and dashing to bases against the iconic Victoria Harbour will surely impress the supporting crowds.

My deep appreciation goes to the Baseball Association of Hong Kong, China for organising this incredible tournament as a showcase of Hong Kong's capabilities in hosting diverse sports events. Its efforts in organising the Jockey Club Baseball5 Community Programmes in collaboration with the Hong Kong Jockey Club, which allows the public to have a better understanding of this new urban sport through activities like training classes and experience workshops, are also commendable.

I wish the WBSC Baseball5 World Cup 2024 a resounding success and all players and spectators a wonderful experience.

Kevin YEUNG  
Secretary for Culture, Sports and Tourism

### Welcome to the WBSC Baseball5 World Cup in Hong Kong!

It's an honour to witness the explosive growth of this dynamic, inclusive sport since its launch in 2017. Following the success of the inaugural WBSC Baseball5 World Cup in Mexico City in 2022, we are thrilled to bring this second edition to Hong Kong's stunning Central Harbourfront. With the skyline as our backdrop, the passion of the world's top Baseball5 players will create memories that will last a lifetime.

To every team here; your dedication and love for the game inspire us all. Special thanks to the Baseball Association of Hong Kong, China, for their tireless work in making this event possible. Your commitment, along with the local community's support, has been instrumental.

Baseball5 is more than a game - it's a gateway for everyone, regardless of age or ability, to join the world of sport. Its urban, mixed-gender format and presence in schools worldwide make it a sport for the future, with a path as bright as its players.

With the success of the WBSC Youth Baseball5 World Cup in Türkiye and Baseball5's inclusion in the Youth Olympic Games Dakar 2026, our journey continues - taking this beautiful game to every corner of the globe.

To all the teams, good luck! Let's make this a true celebration of our sport in one of the world's most iconic cities.

**Mr. Andrew FAN Chun-Wah, JP**

*President*

*The Baseball Association of Hong Kong, China*

It is a delightful honour for Hong Kong, China, to serve as the host city for the second WBSC Baseball5 World Cup in 2024 during our celebration of 75th anniversary of the founding of the People's Republic of China. As the host, The Baseball Association of Hong Kong, China, is thrilled and eager to showcase not only the best of Hong Kong but also the excitement of Baseball5 to the global audience. Hosting this grand event for six days, with teams from Australia, China, Chinese Taipei, Cuba, France, Japan, Lithuania, Mexico, South Africa, Tunisia, Venezuela, and our own Hong Kong, China team, is a challenging yet immensely rewarding task. The joy and satisfaction of witnessing elite athletes from around the world competing at their best in Asia's World City make all our efforts worthwhile.

With its minimal equipment requirements and adaptable field size, Baseball5 is a perfect match for Hong Kong, China, a renowned international financial centre. To play, all that's needed is one ball, two teams of five players each, including at least two females, and a playing court of 21 meters by 21 meters, which seamlessly integrates into our city's urban landscape. We eagerly anticipate this opportunity to familiarise more Hong Kong residents with Baseball5, fostering their love for the sport and sharing its spirit with the world, while highlighting the limitless opportunities and bright future that Hong Kong, China, offers.

We are deeply grateful for the WBSC's trust in awarding us this once-in-a-lifetime opportunity. We extend our thanks to the Government of the Hong Kong Special Administrative Region for its comprehensive support, including significant funding from the Major Sports Events Committee and assistance from various departments and bureaus both before and during the World Cup. With great enthusiasm, we, alongside our Official Community Partner, The Hong Kong Jockey Club, will collaborate to offer a range of engaging activities during and after the World Cup, aiming to maintain a high level of interest in Baseball5 in Hong Kong, China.

Our cash sponsors, Life Wellness, Ageless Athena and Avanti, have been pivotal in the development of the baseball community in Hong Kong, China, and the success of this event for several years. We also wish to thank all supporting organisations and sponsors who have contributed various services and products, making our World Cup journey smoother with more excellency.

May I express our gratitude to all officials, staff, and volunteers for their diligent efforts both before and throughout the World Cup. We wish every team, including coaches, players, and other personnel, the best of luck in the World Cup competition, hoping they will display their best while staying injury-free. As you strive for the world champion title, don't miss the opportunity to forge lifelong friendships and learn from each other to enhance your skills.

Last but not least, during your stay, please enjoy our colourful and vibrant city of Hong Kong, China.

**Mr. Dave HO**

*Chairman*

*The Baseball Association of Hong Kong, China*

I still remember 2 years ago when I participated in the inaugural Baseball5 World Cup in Mexico, it was a great experience at the time and I was wondering if Hong Kong could host the next Baseball5 World Cup. I never expected that the dream would come true and here we are!

It is an absolute pleasure to welcome you all to Hong Kong, China for the second WBSC Baseball5 World Cup in 2024 during our celebration of 75th anniversary of the founding of the People's Republic of China. With this World Cup we are eager to promote and penetrate Baseball5 in Hong Kong, into the Greater Bay Area, as well as in China and across Asia. We aim to heighten public interest and building a solid foundation for Baseball5 amongst the youth sector, allowing youth of all ages to first engage with Baseball5 and gradually continuing the growth or to explore baseball or softball in the future.

We are honored and excited to collaborate with the Hong Kong Jockey Club as our Official Community Partner organizing the Jockey Club Baseball5 Community Programmes with us. The Programme invites students, the underprivileged, and the wider community to better understand and participate in Baseball5, allowing more people to enjoy this emerging sport. We look to foster a sustainable ecosystem for Baseball5 to expand and for public enjoyment, we intent to recruit new teams and players, build regional squads, organize school tournaments and develop local and cross-border leagues as milestones in the next phases. What better way to announce Baseball5 in Hong Kong than hosting the World Cup!

As we kick off Baseball5 World Cup, I encourage you all to embrace the values of hard work and perseverance, to support one another, and most importantly, to have fun! Whether you're here to visit, learn, compete, or cheer from the sidelines, every one of you plays an essential role in making this World Cup successful.

Thank you all for being here, for your enthusiasm for the game, and for your commitment to participate at the highest of all levels. Let's make Baseball5 World Cup a resounding success and a tournament to remember.

What are you waiting for? Let's the tournament begin!
