About Baseball5

“Baseball5 is a new five-on-five, five-inning street version of the game of Baseball/Softball that can be played anywhere. This faster urban discipline will help drive baseball and softball to new places not possible before.” Riccardo Fraccari, WBSC President <<http://www.wbsc.org/baseball5/>>

“No construction or dedicated venue needed”

Baseball5™ can be played on any surface, indoors or outdoors.

“Adapts to any environment”

It's a true street discipline: the game can be self-regulated by teams who can agree on the basics upfront, based on the surroundings, as in any pickup game.

“All you need is a ball”

A rubber ball is the only equipment needed to play the game.

“Skills transfer to traditional baseball/softball”

Baseball5™ is a fast-paced team sport where individual skills and hand-eye coordination are highlighted.

“A game for all demographics”

Baseball5™ promotes inclusion: men, women and youth can play, benefit and enjoy it at any level.

“Social contribution”

Baseball5™ will help boost overall sports participation and physical activity among young people. It's accessibility makes it invaluable particularly to the most underserved communities.
